

Appl. No. 10/037.311
Amdt. Dated: April 28, 2003
Reply to Office action of 04/15/2003
Docket No. MSU 4.1-633

REMARKS

Claims 1, 3 and 4 are pending. No claims are allowed.

In response to the Office Action, Applicant elects Group I (Claim 1). The election is without traverse.

Claims 1, 3 and 4 are pending. Claims 3 and 4 were indicated to be allowable in an Office Action in the parent application Serial No., 09/490,521 ^{abandoned} as Claims 12 and 13. Upon allowance of Claims 3 and 4, Claim 1 will be cancelled.

The specification is amended as in the parent application to replace Table numbers with the corresponding SEQ ID NOS. The amendment on page 4 corrects an obvious grammatical error; support for the inserted text, "is incorporated", exists on page 7, lines 25-26. Page 12 is amended to include text that was present in the now deleted legend for Figure 2. The remaining amendments correct obvious spelling errors or concern formality requirements (e.g. SEQ ID NOS.).

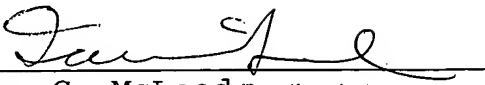

Support for the added claims is in the specification. In particular, see pages 2, 6 and 7. No new matter is added.
